

from the Taser cartridge leading to Hanson's upper torso. I heard Sergeant Selby question Hanson about what he had swallowed. I noticed that Hanson was attempting to vomit.

The paramedics and the officers placed Hanson on a gurney. I assisted Sergeant Selby with removing the handcuffs from behind Hanson's back and placing and placing two handcuffs, one on each wrist, two the gurney. The paramedic carried Hanson to the ambulance. This ended my involvement in the case.

CASE STATUS:

Refer to Officer Wesel report for case status.
