

Sgt Selby and I assisted Ashland Fire and Rescue by assisting Hanson in walking to the living room where Ashland Fire and Rescue had their gurney located.

Sgt Selby un-handcuffed Hanson briefly and re-handcuffed Hanson to the gurney using one handcuff on each hand.

Ashland Fire and Rescue then left with Hanson.

Approximately one hour later, I was notified by Sgt Selby that Hanson had passed away at the hospital.

Officer Wesel and I responded back to 135 Lincoln St#20 where we took several photos and recovered a small quantity of the blue liquid Hanson had regurgitated.

See Sgt Selby and Officer Wesel's attached reports for additional detail.

No further action.

**STATEMENTS:**

See Action taken.

**EVIDENCE:**

**ITEM**

1 Used Taser cartridge

**LOCATION**

Logged into Evidence

**SEIZED BY**
